<b>WINEMAKER COMMENTS</b>	Dark, almost inky in color, this wine offers up generous and dense aromas of blackberry and red licorice that linger with intensity. A slight almond husk aroma adds dimension and complexity to the deep, dark fruit. The mouthfeel is full bodied with an explosion of soft, mouth watering fruit that is packed with chewy flavors of chocolate and berry. This wine has full sensual impact upon release and will only develop more character with 2 years of age.	Deep ruby in color with aromas of black cherries covered in dark chocolate with complex notes of anise, cherry, toffee and mocha. The layered flavors of this wine just keep on offering up notes of roasted nuts and cassis. The smooth, balanced mouthfeel is rich with creamy flavors of baked blackberry pie framed by the medium, yet supple tannins. The fruit is dense and compact, showing that this wine will continue to evolve and develop even more grace and finesse in 1 – 3 years.	Medium ruby in color, this wine has very seductive aromas of black cherry, red licorice, clove, sandalwood and hints of black pepper. The flavors are rich and beautifully wrapped around a soft and full bodied mouth. Rich dark flavors of black plum, black cherry, star anise with just a hint of vanilla are showcased in this lovely Zinfandel. The bright rich fruit flavors are well balanced and stand up the ripe style due to the richness of body and structure.	A lovely color of dark red rose petals with flashes of red jewel tones. After swirling this vibrant wine in your glass, you will be rewarded with hints of strawberry, black cherry and baking spices. A touch of sweet, new French oak comes through to frame these wonderful aromas. Upon taking your first sip, you will notice ripe red fruits, creamy acids and that classic Mendocino mineral component .
